From the Statement furnished by the Comptroller it will be seen that the Cost of giving the new Consolidated allowances will be Slightly higher than giving the Cost of Departmental allee + plus half the new Consolidated allee + the Imperial Service Lances and the Mysore Horse. To avoid all Complications & to adopt a uniform procedure for all Depts it seems desirable to discontinue the Departmental allee altogether and to allow the Consolidated allee to all whole time Servants of the Military Dept.

The Chief Commandant seeks orders in his letter under disposal whether the non commissioned Officers & men should be regarded as of Superior or Inferior Service for purposes of drawing the high prices allee. His Suggestion that N.C. Officers may be treated as of Superior Service and N.C. men as of Inferior Service, may, it seems, be approved.

The fuel and ration allces were temporary and it has been decided to discontinue them. The question of raising the pay of the Sowars is a large problem and should be under the consideration of Govt in connexion with the question of Compensation for dearness of grain. In the meantime should the Sowars of Sepoys may be treated as members of Imperial Service as proposed in the draft letter up. The compensation due under departmental rules for dearness of ragi has also to be withdrawn of this decides to give the high prices allce. uniformly to all members of the military dept.
